have and maintain an address in the United States that is specified on the permit; or if another legal entity, maintain an address or business office in the United States with a designated individual for service of process; and serve as the contact for the purpose of communications associated with the import, transit, or transport of the regulated article(s). **Note: Import/Permit requirements are subject to change at any time during the duration of this permit.

- ***Each shipment shall be accompanied by an ORIGINAL signed document from the producer/shipper/exporter confirming that the exported material: 1) was derived only from avians (birds), and 2) was subjected to one of the following viral inactivation treatments prior to shipment to the United States: (a) heated to a minimum of 56°C for at least 3 hours, (b) heated to a minimum of 60°C for at least 30 minutes, (c) heated to a minimum of 100°C for at least 20 minutes, (d) immersed in a minimum final concentration of 2% sodium dodecyl sulfate (SDS), (e) treated with a minimum of 3% beta propiolactone for 12 hours at 4°C at pH 7, (f) immersed in a minimum final concentration of 10% formalin, (g) immersed in a minimum final concentration of 70% alcohol, (h) immersed in phenol/chloroform mixture, (i) treated with proteinase K followed by a heat treatment at a minimum of 95°C for at least 15 minutes, (j) treated with guanidine HCl, OR (k) spotted on Whatman® FTA Classic Cards (for liquids only) in accordance with the manufacturer's directions.
- [This certification must CLEARLY correspond to the shipment by means of an invoice number or shipping marks or lot number or other identification method. An English translation must be provided.]
- ***Materials shall be consigned directly to the permittee at the permittee address specified above. Materials imported under this permit may be hand carried in personal baggage from the country of origin to the port of arrival, but must be declared and made available to port officials for inspection, and must be transported directly to the permittee by someone with identification and current, signed written authority from the permittee. The permittee's authorizing document must be original, on letterhead, and specific to the particular shipment(s), and shall be valid for no more than 2 months from the date of issuance.
- This permit does NOT authorize the import of samples from animals suspected of infection with any foreign animal disease agent (including, but not limited to, highly pathogenic avian influenza and Newcastle disease) or work with these disease agents or diagnostic samples.
- This permit DOES NOT authorize direct or indirect exposure of or inoculation into domestic or laboratory livestock (including but not limited to: birds/poultry/eggs, cattle, sheep, goats, swine, and/or horses). Work with materials and/or their derivatives shall be limited to *in vitro* uses only.

-----------	---	------------

- Packaging, containers, and all equipment in contact with these materials shall be sterilized or considered a biohazard and be disposed of accordingly.
- THIS PERMIT IS VALID ONLY FOR WORK CONDUCTED OR DIRECTED BY YOU OR YOUR DESIGNEE IN YOUR PRESENT U.S. FACILITY OR APPROPRIATELY INSPECTED LABORATORY. THE AUTHORIZED IMPORTED MATERIAL(S) MUST BE SHIPPED/CONSIGNEE DIRECTLY TO THE ADDRESS OF THE PERMITTEE OR TO THE ADDRESS OF THE ADDITIONAL PERMITTEE(S) AS IDENTIFIED ON THIS PERMIT. (MATERIALS AND/OR THEIR DERIVATIVES SHALL NOT BE MOVED TO ANOTHER U.S. LOCATION, OR DISTRIBUTED WITHIN THE U.S., WITHOUT USDA, APHIS VETERINARY SERVICES AUTHORIZATION.) **++ EXCEPTION:** Material is authorized to be distributed for evaluation, provided the transported material is accompanied by a signed document confirming the material was subjected to one of the viral inactivation treatments specified above. HOWEVER, any treated bird material that has been exposed to untreated bird material restricted to your Biosafety Level 2 laboratory may not be distributed without being again subjected to one of the viral inactivation treatments listed above. Records of treatment and distribution shall remain on file and be made available to USDA upon request.
- On completion of your work, all permitted materials and all derivatives therefrom shall be destroyed.
- Imported material may be subject to regulations enforced by the United States Department of Interior, Fish and Wildlife Service (FWS). Importer must contact FWS, information is available at web pages <http://www.FWS.gov/permits/> and/or <http://www.FWS.gov/le/travelers.html>
- Imported articles, such as nests and crop contents, containing plant material may be subject to regulations enforced by USDA, APHIS, Plant Protection and Quarantine (PPQ). Importers of such materials should consult PPQ at: (301) 851-2046 or toll free at: (866) 524-5421 for more information.
- Imported article (including hand-carried material) may be subject to regulations enforced by US Customs and Border Protection (CBP). Please visit their website: https://help.cbp.gov/app/answers/detail/a_id/3681/kw/biologicals
- This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
- The restrictions on this permit remain in force as long as the material is in the United States.
- Any person who VIOLATES the terms and conditions of permits, and/or who forge, counterfeit, or deface permits may be subject to criminal and civil penalties in accordance with applicable law. In addition, all current permits may be cancelled and future permit applications denied.
