## CITATION

TO ACCOMPANY THE AWARD OF  
THE KOREN KOLLIGIAN, JR., TROPHY  
TO  
JEFFREY R. JOHNSON

Captain Jeffrey R. Johnson, 93d Air Refueling Squadron, distinguished himself by meritorious action as instructor pilot of a KC-135A aircraft on 28 June 1991. Captain Johnson's exceptional professionalism and outstanding airmanship ability single-handedly saved his fellow crew members and a valuable Air Force resource from total destruction. He systematically analyzed his aircraft's significant flight control problem of an uncommanded left roll and directed actions of the crew members to stabilize the flight characteristics of the aircraft. After four controllability checks, he assisted in a flawless approach and uneventful landing. The distinguished accomplishments of Captain Johnson reflect great credit upon himself and the United States Air Force.
